

Childrens Librarian News

Happy New Year!! We are excited to share our new programming opportunities with our Heartland patrons and communities. In the month of January our programs will be supporting National Penguin Day on Saturday January 20, 2024. We will have opportunities to create colorful snowflakes!! In our Calling All Future Chefs Program we will be learning about all kinds of citrus fruits and learn how to make cupcakes in a blender!! We are also relaunching 1000 books before kindergarten. Please sign up with your local branch to receive all the information and begin your literacy journey with your child today that will make a world of difference in the future. I wish you all warm hugs and cozy vibes in 2024!!!
